Quick Start

WATCH A PROGRAM AT THE SAME TIME YOU RECORD ANOTHER SHOW!

The Dual Tuner DVR allows you to set recordings for two different programs that air at the same time, or watch one while recording another. You can watch and control either program by using the **SWAP** button on your remote.

WHILE WATCHING A SHOW:

- Press **RECORD** to record the program you are watching.
- Press **SWAP** and tune to the second program you want to record.
- Press **RECORD**. Both programs will be recorded.

FROM THE GUIDE:

- Highlight a program you want to record from any listings screen.
- Press **RECORD** to set up the first recording.
- Highlight the second program.
- Press **RECORD** to set up the second recording.

CONTROL LIVE TV USING YOUR DVR WITH TV GUIDE INTERACTIVE™.

PAUSE.  For programs you are watching live, your DVR will remain in pause for up to one hour* (15 minutes of HDTV). Press **PLAY** to continue watching the program.

**Length of Live TV and Pause feature varies by program source.*

REWIND.  You can rewind as far back as the start of the recording. Press **REWIND** up to 4 times to increase the speed.

FAST FORWARD.  Press **FAST FORWARD** to move forward in the program. Press **FAST FORWARD** up to 4 times to increase the speed.
