

CableCARD Installation

Armstrong will install your CableCARD at no additional cost. Should you choose to self-install, please follow the instructions below.

1. Before installing your CableCARD, turn the device's power off and record the Serial Number from the CableCARD for activation.
2. After installing your CableCARD and a short delay, you will see:

In order to start cable service for this device,
please contact your cable provider:

CableCARD: ###-###-###-###-#

Host: ###-###-###-###-#

Data: ###-###-###-##

Unit Address: ###-#####-#####-###

3. Record the Host ID of your device for activation.
4. Now that you have the Serial and Host ID numbers call 1-877-277-5711 to activate your device.
