

On Demand Quick Start

GETTING STARTED IS SO EASY!

Ordering On Demand programming is as easy as 1-2-3:

1. Simply tune your set top or TV to Channel 1 OR simply use the **On Demand** or **VOD** button on your remote.
2. Using the arrow keys on your remote, select a category. Then highlight a program or movie and press **OK/SELECT**.
3. Select  to begin watching your choice or  to purchase a pay movie or event* and enjoy the show.

**Please note—you will be asked to confirm any selection that requires an additional fee, so there's no "accidental" On Demand purchase.*

MORE ON DEMAND TIPS

- To pause, fast forward, rewind or stop a program, use the video control buttons on the remote.
- Once you have selected a program for viewing and have pressed  or , please wait a few seconds for the show to start. **"ONE MOMENT PLEASE"** will appear on your screen, indicating that your program will begin shortly. *Repeatedly pressing the **OK** button will continually restart the process and delay your viewing.*
- Programs selected or viewed will be stored in the "My Viewing" folder for 24 hours, so you can watch them again!
- Armstrong Answers tutorial videos available On Demand and at ArmstrongOneWire.com/support.
