

## INSTALLATION INSTRUCTIONS

- 1** Connect the EXP Stream box to your television's HDMI port.

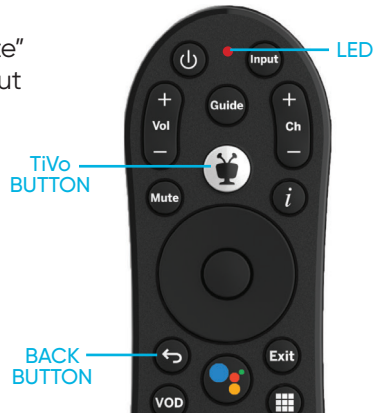

- 2** Attach the power cord to the EXP Stream box and plug the adapter into a wall outlet.

- 3** Follow the on-screen instructions. The first thing you should see is the "Pair Your Remote" screen. If you don't, try changing the TV input to a different HDMI source.

Pair your remote by pressing the TiVo and BACK buttons until the LED on the remote lights up red. Once lit, release the keys and the light will start to flash slowly.

- 4** Follow the on-screen prompts which will include choosing a language, connecting to your Wi-Fi network, and signing into your Google account.
